

WIDOS hand-held heating elements

WIDOS Hand-held heating tools

WIDOS hand-held heating tools in round or rectangular design with electrical (digital temperature display possible) or thermostatical temperature control, with teflon coating. All tools are equipped with on/off-switch, mains control lamp and control lamp for heating intervals. For support on the building site or in the workshop various holding devices, a steel carrying case and several heat-protected boxes are available. At heating tools with electrical control, the temperature control and adjustment are according to DVS 2208.

Special voltages and dimensions upon request.

Set composition

| Description | Qty. | kg | Order-no. |
|------------------------------------------------------------|------|-----|-----------|
| Heating tool Ø 90 mm, thermostatical (230 V/315 W) | 1 | 2,0 | H0090T |
| Heating tool Ø 90 mm, electrical (230 V/315 W) | 1 | 2,0 | H0090E |
| Heating tool Ø 120 mm, thermostatical (230 V/500 W) | 1 | 2,0 | H0120T |
| Heating tool Ø 120 mm, electrical (230 V/500 W) | 1 | 2,0 | H0120E |
| Heating tool Ø 200 mm, thermostatical (230 V/800 W) | 1 | 2,5 | H0200T |
| Heating tool Ø 200 mm, electrical (230 V/800 W) | 1 | 2,7 | H0200E |
| Heating tool Ø 295 mm, thermostatical (230 V/1500 W) | 1 | 6,0 | H0320T |
| Heating tool Ø 295 mm, electrical (230 V/1500 W) | 1 | 6,2 | H0320E |
| Heating tool □ 150 x 150 mm, thermostatical (230 V/750 W) | 1 | 2,5 | H0150VT |
| Heating tool □ 150 x 150 mm, electrical (230 V/750 W) | 1 | 2,5 | H0150VE |
| Heating tool □ 250 x 250 mm, thermostatical (230 V/2000 W) | 1 | 4,5 | H0250VT |
| Heating tool □ 250 x 250 mm, electrical (230 V/2000 W) | 1 | 4,5 | H0250VE |
