

# Cavity Free Ball Valves

SERIES: SL

SIZES: PVC, PP: 1/2" – 2"  
PVC: 2-1/2" – 6"<sup>2</sup>

ENDS: Flanged, Socket, Butt<sup>3</sup>, Threaded

SEATS: PTFE

SEALS: FPM (Viton®), EPDM

4" & 6" Sizes

1/2" to 2" Sizes

Chemline SL Series Cavity Free Ball Valves are molded-in-place full port 1/2" to 6", available in PVC and PP with a polyethylene ball. The 6" size is a full port alternative to a 4" ball valve with ends increased to 6".

## Features

### No Cavity between Body and Ball

- The low dead volume eliminates sediment build-up and prevents larger particles from being trapped behind the ball

### Abrasion Resistant<sup>4</sup>

- PE ball provides superior abrasion resistance

### Full Port up to 6"

- Low Pressure Loss – 6" has C<sub>v</sub> value of 1,878
- No Obstruction to Flow – No possible hang-up of debris – Suitable for lines where "pigging" is required

**Compact Dimensions** – Minimal flange face-to-face dimensions: 6" has 10-1/2" face-to-face length

- Will fit where other ball valves will not

### Light Weight

- Easy installation
- Minimal stress on piping system

### No Flange Gaskets Required for 2-1/2" to 6" sizes

- Flange face o-rings are included

<sup>1</sup> All valves have PE ball

<sup>2</sup> ANSI flanges are standard for 4" and 6" valves, DIN flanges are standard for 2-1/2" and 3" valves

<sup>3</sup> Butt ends for fusion to Chemline metric PP piping

<sup>4</sup> Valve performance on slurries or abrasive services will depend on the particle size and hardness, pipe configuration and fluid velocity

# Cavity Free Ball Valves 1/2" to 2"

## PARTS

▲ Recommended Spare Parts

No.	Part	Pcs.	Materials
1	Body <sup>1</sup>	1	PVC, PP
2	Handle	1	PVC
3	Clip	1	PVDF
4	O-Ring Retainer	1	PP
5▲	Stem O-Ring	1	EPDM, FPM (Viton®)
6	Union Nut	2	PVC, PP
7	Face O-Ring	2	EPDM, FPM (Viton®)
8	End Connector	2	PVC, PP
9	Ball <sup>1</sup>	1	PE
10	Ball Seat <sup>1</sup>	1	PTFE
11	Stem <sup>1</sup>	1	PVC, PP

<sup>1</sup>Parts are for identification only and cannot be replaced.

## VACUUM RATING

- 29.9 inches mercury
